

LEGAL CLUB OF AMERICA®

GRANDFATHER AUTHORIZATION FORM

Upon completion of the upcoming re-enrollment, all previously enrolled Legal Club of America members will be granted credit towards their Paid-up Premium Period. The maximum credit granted for any member currently employed is 3 years.

Upon receipt of the premium necessary to satisfy a member's paid-up premium provision, that member will continue to receive access to the Family Legal Plan* indefinitely, free of charge. Access will continue to be granted to members as long as there is an available payroll slot and annual re-enrollment for all benefit eligible employees.

Retirees will be responsible for contacting Legal Club of America to apprise them of their retired status.**
