- By remembering a master password, this tool will automatically fill in your unique username and password on any login screen.
- All information stored is encrypted and decrypted locally, thus data is never transmitted without being fully secured.

SECTION 2: PLAN BENEFITS

To Receive a Plan Attorney Referral

Contact Legal Club's Member Services Department (MSD) at **(800) 305-6816 8:00 am to 8:00 pm EST, Monday through Friday**. There is no limit to the number of referrals you may receive.

When contacting the MSD, a Service Advocate (SA) will ask you to identify yourself and the method by which you became affiliated with Legal Club. The SA will then ask you to briefly describe your legal issue, for the purpose of referring you to a plan attorney that practices the appropriate area of law, speaks your language and is conveniently located.

If the appropriate plan attorney can not be immediately provided, the SA will escalate your issue to a Manager. In some situations this additional step is appropriate to help ensure the best possible referral. For example, your particular need may require additional review or we may need to confirm certain information with a specific plan attorney or participating law firm. A Manager will call you within two business days to help ensure you are provided the best available referral.

If you are calling to utilize any of the other services included in your plan, the SA will connect you directly to the appropriate service professional.

Contacting Plan Attorneys

When contacting a plan attorney identify yourself as a Legal Club member. If for any reason the plan attorney is unable to assist you please call our toll-free Legal Club Member Services number for another referral.

Plan attorneys may be out of the office, or otherwise attending to their existing clients. Therefore, please allow up to 3 business days for the plan attorney to respond to your call(s).
